LOGO'D GEAR ORDER PROCESS

From idea to delivery in five simple steps!

1

SALES ORDER CREATION

Write up sales order: items, colors, sizes, quantity, logo, placement & imprint size

Complete shipping & billing information

Provide other pertinent special instructions

2

SALES ORDER APPROVAL & PAYMENT

Sales order is sent to customer for approval

Customer approval confirms the sales order is 100% correct

Payment required

FOR CUSTOMER APPROVAL

3

PROOF CREATION & APPROVAL

Proof is created based on the sales order

Customer verifies spelling, colors, size & logo

Customer approval of the proof is required

FOR CUSTOMER APPROVAL

4

PRODUCTION

Production begins after proof approval

Order undergoes quality inspection upon completion

5

SHIPPING & TRACKING

Items shipped after completion

Tracking number emailed within 24 hours

Customer service is always on standby for extra support

Nothing goes into production until the customer approves the proof
